Audiences got into the holiday spirit with a recent night of song, crafts and holiday treats at Two River Theater in Red Bank.

As the Monmouth Civic Chorus serenaded visitors with holiday carols, guests learned how to make their own Christmas crackers, an English tradition. The theater also collected canned goods for the Foodbank of Monmouth and Ocean Counties.

The evening was held in conjunction with Two River Theater's production of "Lion in Winter." For a full slate of upcoming productions and events, including holiday events like "A Very Electric Christmas," seen on "America's Got Talent," visit tworivertheater.org.
